

# Where is your career headed?

## Maybe you need an **EDGE**

*A Resource for Young Credit Union Professionals*

The Mississippi Credit Union Association has committed itself to the retention and success of young credit union professionals across the state. In August 2010, MSCUA put together a steering committee of 13 young professionals from various credit unions to develop **EDGE** - Mississippi's first young credit union professionals group.

**E**ducate

**D**evelop

**G**uide

**E**xpose

#### **Mission:**

- To be a resource for young credit union professionals
- To retain and ignite a passion to protect the integrity of the credit union philosophy
- To motivate young credit union professionals to inspire success through exposure
- To create a forum for fun exploration of innovative and creative ideas
- To navigate a career path for future leaders

#### **Benefits for **EDGE** members:**

- Become part of a thriving network of young professionals from across the state
- Exclusive opportunities for growth through education and instruction in the areas of:
  - Marketing
  - Finance
  - Public Speaking
  - Communication
  - Etiquette
  - History
  - Interviewing
  - Technology
- Mentoring from Industry professionals
- Career guidance
- Committees focused on particular areas of interest
- Learn how to make a career in credit unions

#### **Why encourage your young professionals to join **EDGE**?**

- Retention of today's newest and brightest young professionals
- **EDGE** members will be exposed to new ideas and techniques that can be utilized in your credit union
- Develop a passion for the credit union industry and philosophy

#### ****EDGE** qualifications:**

- Must be an employee or volunteer of an affiliated Mississippi credit union
- Must be 40 or under
- Must be approved by the President/CEO of your Credit Union

***If you're ready to get the **EDGE** you need to be successful in your career, we invite you to join us!***
